

| LC Chemistry Development Group | Meeting #7 online 21/10/2020 |
|---|---|
| Agenda Item | Notes |
| Welcome back, induction and governance | Group members were welcomed back and inducted into development group work in the online space. |
| Development of draft working strands | <p>The group worked on the unifying strand and strands 2 and 3, with a number of points raised during discussion:</p> <ul style="list-style-type: none"> • The value of bespoke chemistry learning outcome(s) in a unifying strand that speak to the principles and practices of chemistry • The strands are generally easier to parse and more focussed • The value of having clarity for learning outcomes in a <i>students learn about</i> column • The need for clarity and emphasis in the intentional verbs and descriptions used in some learning outcomes <p>The Executive will draft changes to the specification based primarily on feedback through the Reading Notes and also on the conversations in the meeting. The updated drafts will be circulated to the group for review and feedback in advance of the next meeting.</p> |
| Next steps | Next Meeting 12-11-20. Group members were satisfied they made all contributions they wished to make in this meeting. The chair reflected on the work done and thanked the members for their attendance and contribution. |
